ACTIVITIES & HOBIES

In my free time, I enjoy researching and learning new things, both about programming and other subjects.

Sport is one of my favorite activities.

Sometimes I also watch movies, series and listen to music

WORK & EXPERIENCE

• OSF Digital

Frontend Development Intern

Jun 2023 - Jul 2023

During this front-end internship, I put into practice the knowledge gained by developing a real project, strengthening my skills in this field.
